

Equality Objectives

At Orchard Hill College we value our multi-cultural community and celebrate our diversity, creating opportunities for all to contribute, participate and grow.

Our Equality Objectives are:

- To enable access to outstanding learning opportunities irrespective of age. Students will have the opportunity to make a positive contribution to their community, be that through entry to the workforce or other employment opportunities linked to their key skills and interests.
- Staff and students will be supported to develop their mental wealth and resilience in accordance with the staff and student mental health and well-being policies. Early identification of individual needs is imperative.
- Students and staff are supported to celebrate their faiths and beliefs in a safe environment. Staff and students are encouraged to learn about other views and beliefs through safe exploration together.
