Below are a list of additional measures we have put in place to ensure the safety of students and staff while they are at college:

- Staggered arrival and pick up times
- Use of bubbles (small groups)
- Isolation rooms for anyone displaying symptoms of Covid-19 at each centre
- Spreading out over larger spaces
- Additional risk assessments in place
- Temperature checking for all students and staff upon arrival
- All activities are risk assessed to consider Covid-19 control measures
- Regular briefings for staff to update them on guidance and control measures
- Additional cleaning regimes, which include regular sanitisation of all areas
- Additional hygiene resources accessible in every classroom
- Staggered break and lunch times where possible
- Accessible resources to support infection control and encourage autonomy over hand washing etc.
- Encouragement of social distancing where possible
