How we support transition out of college

The college wants to ensure that students and parents/carers are fully prepared for when students are ready to take the next steps after their time with us. Here is how we support students and parents/carers:

- **Information, Advice and Guidance programmes for parents and carers:** The college offers an extensive Information, Advice and Guidance programme with guest speakers from key professions and organisations; from supported and residential living, health and well-being groups, supported employment and adult education.
- **Transition Events:** Students and parents/carers can meet local groups and organisations that can support students during and after college. Currently over 50 organisations take part in this event.
- **Final year transition review and Action Plan meeting:** During your final academic year, you will have an EHCP annual review and a Transition Action Plan meeting. During these meetings, parents/carers and key professionals/ stakeholders in the local authority will work together to make sure the right plans are in place to help you move on.
- **A Personal Passport and OHC Record of Achievement:** By the end of students time at college they would have created a Personal Passport and an interactive record of achievement with the help of staff. The passport will be theirs to take onto their next placement. This can be used to inform anyone working with students; details of how they communicate, together with other information they may want to share. A consent to share form would have been given to students and parents/carers to sign. This will allow us to share your passport. Should you no longer wish your passport to be shared, please contact us.

Keeping safe outside of college

OHC is committed to ensuring that vulnerable people are protected against all forms of abuse and that the college and all of its staff make effective responses to allegations or suspicions of abuse. Our priority is to keep our students safe at all times and it is essential to let us know if there are any safeguarding concerns that a student might not be able to inform us of. The lead designated person within OHC with the responsibility for Safeguarding/ Protection of Vulnerable Adults is Kirsty Cottrell. Please do not hesitate to contact her with any safeguarding issues:

Kirsty Cottrell

Tel: 0345 402 0453

Mobile: 07944 475 353

Email: KCottrell@orchardhill.ac.uk

If there are any safeguarding concerns, which are not related to the college, students and parents/carers can contact their local borough Learning Disabilities Team.

The college also links to several community safety schemes and groups that support students to feel safe in their communities. Here is a list of the schemes and groups we link with:

- Healthwatch Kingston - www.healthwatchkingston.org.uk
- Safe Places scheme - www.safeplaces.org.uk
- Croydon People First - www.croydonpeoplefirst.org.uk
- Healthwatch Hillingdon - www.healthwatchhillingdon.org.uk
- Surrey Coalition Disability Partnership - www.surreycoalition.org.uk

How Student Services can support students

NUS - Totum: The college is registered with the National Union of Students (NUS). Students can receive discounts on food, drink, travel, mobile phones and fashion. To find out more, please visit: www.totum.com

Travel passes: If students live in London and have a disability, they could be entitled to a Freedom Pass. For more information or to apply go to:
www.londoncouncils.gov.uk/services/freedom-pass/disabled-persons-freedom-pass

A Freedom Pass is provided by the Local Authority to give older and disabled Londoners free travel on almost all public transport in London.

Students must bring their free travel pass to college if they have one.

Transport for London student card: Students may also apply for a Transport for London student card. This scheme allows students to get 30% off the price of adult rate travel cards and bus and tram pass tickets if they live within greater London. Please note that if students withdraw from their course, this card will be cancelled by the college. For more information or to apply go to: www.tfl.gov.uk/fares/free-and-discounted-travel/18-plus-student-oyster-photocard

Extracurricular Offer: We offer a range of exciting self-funded activities, days out and programmes. These are separate to students' educational government funded programmes;

- **Enrichment activities:** Fun and social programmes delivered in college and the local community. They take place on most Fridays throughout the year. Activities include; educational trips, Duke of Edinburgh Award, trampolining, cricket, music, art and more.
- **Holiday Programmes:** These are available outside of term time and include fun days out and a range of activities, such as; creative arts, baking and sport.

If students would like to be considered for a place, or require further information, please contact the Student Services team on 0345 402 0453 to request an application form. Please note, places are offered subject to availability and suitability.

How Student Services can support students continued...

Alumni membership

After students leave college, they can join the Orchard Hill College Alumni - this means they can continue to be involved and stay part of the college. The benefits of this exclusive three-year membership include:

- Invitations to two annual events
- Early access to sign up to holiday/enrichment programmes
- A copy of 'Include' the OHCAT annual magazine
- A Sharespace (Orchard Hill College's own safe social networking site) account to keep in touch with friends
- Careers advice and support

Student Voice - Having your say

At OHC we always want to hear students' views to help us improve.

Having your say outside of college: As part of students' preparation to have an active voice outside of college, students contribute to local advocacy and disability forums.

Planning Ahead

In this section, students and parents/carers will find a wide range of information to help plan their next steps during and after college.

Useful contacts, organisations and guides to help plan your next steps
