

Job Description

Title: Speech & Language Therapist – Dysphagia Specialist

Grade: Band 7

Relationships

Responsible to: Head of Integrated Services Team & Deputy Principle

Responsible for:

Overseeing Dysphagia service college wide and delivering a Speech & Language Therapy service at a universal and / or individual level, as clinically indicated

Clinical lead for Speech & Language Therapy & Head of Integrated Services

Reports to:

Purpose and main responsibilities:

- To use a person centred approach to promote choice, independence, and inclusion, reflecting the key principals of Valuing People (DOH 2002), Valuing People Now and the Human Rights Act and working towards the Preparing for Adulthood Agenda, in order to enable the student to achieve his/her academic, social and employment potential.
- To work with the S< team, Clinical lead for S< and Head of Integrated Services to strategically oversee and provide specialist support to the college in the area of dysphagia and eating and drinking support
- To maintain and model the highest level of respect at all times for students and their families, modelling person centred and collaborative working, at all times promoting students human's rights, dignity and individual choices.
- To work with external agencies (eg. Schools, work placements, social services) to ensure smooth transition of student's communication and eating and drinking information, both into and when leaving the college.
- To assess student's communication, social interaction eating & drinking and learning environment needs using a range of formal and informal assessments and observations and manage clinical caseload independently.
- To enable teaching and support staff to deliver the curriculum at an appropriate language and communication level through contributing to support plans, planning & delivering staff training, coaching and reflecting with staff and class observations.
- To manage the safe eating and drinking of students through provision of clear guidelines, staff training and competency sign off and ongoing monitoring and supervision and onward specialist referral if necessary.
- To work with the multi-disciplinary team to ensure the college is supported in the delivery of a "Capable environment" in the area of communication through participating in audits, learner walks, training, coaching and feedback to class teams
- To jointly set and review EHCP related targets with teaching, other support and therapy staff.
- To contribute towards team and college development plans in the area of communication and eating & drinking.
- To take responsibility for a designated clinical area as requested by head of IS service or clinical lead, eg. To lead on policy / clinical pathway development or a project area

- To ensure effective joint working practice between Multi-therapy team and education, health, social services, voluntary sectors and student's families where necessary, including parents evenings and college open days.
- To ensure that all students have access to the necessary AAC and learning supports and make onwards referrals to specialist hubs as necessary.
- To support college wide development of accessible and "easy read" resources and documents.
- To plan and deliver communication and eating & drinking training to education staff, home environments and work places, as indicated.
- To promote student's choice, self-advocacy and independence, working under the principles of the Mental Capacity Act (2005).
- To work with other members of student support teams to assess and implement strategies to address any behaviours of concern, working within a Positive Behaviour Support and Trauma informed Framework.
- To write EHCP reports and contribute to EHCP reviews and attend Multi-Disciplinary meetings, as necessary.
- To maintain up to date and accurate case notes in line with Royal College of Speech & Language Therapists and Health & Care Professions Council professional standards.
- To measure and record outcomes of Speech & Language Therapy interventions.
- To be accountable for own professional actions and recognise own professional boundaries
- To supervise junior clinical staff as requested
- To access the appropriate professional support/ supervision required, demonstrate the ability to reflect on practice with peers/clinical supervisor and continually update professional knowledge in line with the evidence base, including attending relevant Clinical Excellence Network groups in relevant areas. To maintain RCSLT CPD log (currently 30 hours per year of specific relevant role related CPD for a FTE therapist).
- To identify personal/professional development targets as part of the annual appraisal framework.
 - To participate in Speech & Language Therapy student placements and contribute to the assessment of students.
- To explain the role of Speech and Language Therapists to education staff, families, visitors, students and volunteers and attend open days and parent's evenings as requested.
- To maintain up to date HCPC and RCSLT registration and adhere to RCSLT & HCPC Professional and Clinical Standards and Code of Conduct as well as National and Local Clinical Guidelines.
- To participate in departmental research and clinical governance/audit projects as required.
- To share information with others, observing data protection guidelines, confidentiality and appropriate consent.
- To occasionally travel to other OHC sites as requested.
- To quickly act/act in a timely manner in all cases relating to Adults at Risk (Safeguarding Adults) and Child Protection. The post holder must be fully conversant with all policies (and practice issues/and responses required) relating to adult and child protection matters that impacts on their practice.
- To adhere to all relevant college policies , e.g. Health & Safety, Equality and Diversity.
