

Job Description

Title: Occupational Therapist

Grade: Band 6

Relationships

Responsible to:

Head of Integrated Services Team
Deputy Principal
Clinical Lead for Occupational Therapy

Responsible for:

Delivering an Occupational Therapy service at a universal and / or individual level, as clinically indicated

Reports to:

Clinical Lead for Occupational Therapy
Band 7 Occupational Therapists

Purpose and main responsibilities:

- To use a person centred approach to promote choice, independence, and inclusion, reflecting the key principals of Valuing People (DOH 2002), Valuing People Now and the Human Rights Act and working towards the Preparing for Adulthood Agenda, in order to enable the student to achieve his/her academic, social and employment potential.
- To maintain and model the highest level of respect at all times for students and their families, modelling person centred and collaborative working, at all times promoting students human's rights, dignity and individual choices.
- To work with external agencies (e.g. Schools, work placements, social services, community learning disability teams etc.) to ensure a smooth transition of student's sensory, upper limb, seating and skill development information and equipment, both into and when leaving the college.
- To assess student's sensory, upper limb/ fine motor, seating, activity/ ADL participation and learning environment needs using a range of formal and informal assessments and observations and manage a diverse clinical caseload independently.
- To keep up to date with current and new manual handling techniques in order to design appropriate moving and handling guidelines for learners to access personal care who have significant physical disabilities in addition to their learning disability, using a range of techniques and equipment ensuring safe practice.
- To plan, implement, and review person-centred individual and/or group interventions, which aim to improve functional abilities and participation in college-related learning activities as well as everyday life.
- To monitor, evaluate and modify intervention in order to measure progress and ensure effectiveness of intervention.
- To enable teaching and support staff to deliver the curriculum at an appropriate sensory and skill development level through contributing to support plans, planning & delivering staff training, coaching and reflecting with staff.
- To work with the multi-disciplinary team to ensure the college is supported in the delivery of a "Capable environment" in the area of sensory environment and task analysis and support through participating in audits, learner walks, training, coaching and feedback to class teams.
- To jointly set and review EHCP related targets with teaching, other support and integrated services staff.
- To contribute towards team and college development plans in the area of Occupational Therapy.
- To take ownership in a specific clinical area as required by the Clinical Lead.
- To ensure effective joint working practice between integrated services team and education, health, social services, voluntary sectors and student's families where necessary, to overcome limitations students may encounter.
- To ensure that all students have access to specialist seating/ toileting equipment, adapted or assistive devices and / or regulation equipment being aware of financial implications and restrictions, new developments in specialist equipment and making onwards referrals to specialist external services where necessary.
- To be responsible for equipment used in carrying out duties and to adhere to relevant policies, including competence to use equipment and ensuring the safe use of equipment by others through teaching, training and supervision of practice.
- To plan and deliver training in sensory, upper limb adaptations and functional support, seating, and skill development to education staff, home environments and work places, as indicated.

- To promote student's choice, self-advocacy and independence, working under the principles of the Mental Capacity Act (2005).
- To work with other members of student support teams to assess and implement strategies to address any behaviours of concern, working within a Positive Behaviour Support and Trauma informed Framework.
- To write EHCP reports and contribute to EHCP reviews and attend Multi-Disciplinary meetings as necessary.
- To maintain up to date and accurate case notes in line with Royal College of Occupational Therapists and Health & Care Professions Council professional standards.
- To measure and record outcomes of Occupational Therapy interventions.
- To be accountable for own professional actions and recognise own professional boundaries
- To supervise junior clinical staff as requested.
- To oversee the shared responsibility of overall venue co-ordination on behalf of the integrated services team.
- To access the appropriate professional support/ supervision required, demonstrate the ability to reflect on practice with peers/clinical supervisor and continually update professional knowledge in line with the evidence base, including attending relevant Clinical Excellence / Special Interest Network Groups in relevant areas. To maintain OT CPD log (currently 30 hours per year of specific relevant role related CPD for a FTE therapist).
- To identify personal/professional development targets as part of the annual appraisal framework.
- To participate in Occupational Therapy student placements and contribute to the assessment of students.
- To explain the role of Occupational Therapists to education staff, families, visitors, students and volunteers and attend open days and parent's evenings as requested.
- To maintain up to date HCPC and RCOT registration and adhere to RCOT & HCPC Professional and Clinical Standards and Code of Conduct as well as National and Local Clinical Guidelines.
- To participate in departmental research and clinical governance/audit projects as required.
- To share information with others, observing data protection guidelines, confidentiality and appropriate consent.
- To occasionally travel to other OHC sites as requested.
- To quickly act/act in a timely manner in all cases relating to Adults at Risk (Safeguarding Adults) and Child Protection. The post holder must be fully conversant with all policies (and practice issues/and responses required) relating to adult and child protection matters that impacts on their practice.
- To adhere to all relevant college policies, e.g. Health & Safety, Equality and Diversity.
- To undertake such other duties of a similar nature from time to time as may be required by the Clinical Lead / Principal.
