

Behaviour policy is to support
positive behaviour

Respect and **trust**
for and from **everyone** in the College

Communicate

Behaviour is a type of
communication
and **staff** will listen and **help**

You are **all adults** and will
be treated as an adult

BEHAVIOUR POLICY

Staff will always try to **help** in the **calmest** way possible

We know you **may need help** when:

You might **want something-**

Drink? Food?

You want **attention**

To **relax** or **alert** yourself

To **relieve** physical or emotional **pain**

To get **away** from **noise** or **activity**

Staff will **help** and be **supportive** so you feel valued and **safe**

Routine can help with
change

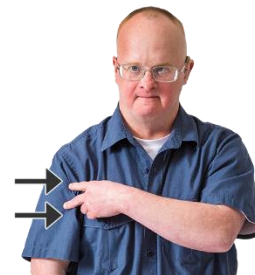

We will help you
communicate

We will offer **activities**
and social time

Mindful, skilled staff

Staff

Health support

**Good relationships with
family and friends**

Encouraging **independence** with space and time
